

Sarasota Bengals Priority List Agreement- 2026

The Priority List deposit holds your place in line to pick a kitten. The Priority List deposit of \$200.00 is refundable at any time if you decide you do not want to purchase a kitten. You can remain on the list for 1 year. If you have not selected a kitten after 1 year, I will refund your deposit and remove you from the list.

Please understand the following:

Kittens are priced at \$1,995.00 each. This is the pet price, which means the kitten will NOT be used for breeding or stud services. The kitten MUST be spayed/neutered by a certain age at the buyer's expense. Buyer must send proof of spay/neuter (copy of the surgery receipt) to breeder. If proof of spay/neuter is not received, the buyer agrees to pay an additional \$3000.00 immediately for breeding rights. TICA registration papers will be mailed after breeder receives proof of spay/neuter surgery.

You will be required to provide proof of identification.

When a litter of kittens is born, I post pictures/videos on the Sarasota Bengals Facebook page at least once a week. I also post videos on the YouTube channel, Sarasota Bengals.

Kittens go to the vet at 8 weeks of age for an exam, FIV/FELV test, dewormer, fecal test, and initial vaccines. All kittens come with a Florida Health Certificate, which is required by law.

My number one priority is to place the kittens with responsible owners in a timely manner (between 10-12 weeks of age). Kitten picks start around 8-9 weeks of age. I start at the top of the list and work my way down. When it is your turn to pick a kitten you will have up to 48 hrs to make a decision. You can schedule an appointment to meet the kittens or you can pick from pictures and videos. We can also do a video chat. If I do not have the type of kitten you are looking for, you can remain on the list for a future litter or I can refund your deposit. If you see a kitten you like, a non refundable deposit of \$250.00 is required to reserve your kitten until it is ready to go home with you at 10-12 weeks of age.

Communication is very important between 6-10 weeks of age, so please respond quickly when I contact you. If you fail to respond in a timely manner, you will be removed from the priority list and lose the opportunity to purchase a kitten. It is important to remember there are other people on the list who are waiting to select a kitten.

All deposits (priority list \$200.00 and reservation \$250.00) are applied towards the purchase price of the kitten. The remaining balance (\$1,545.00) MUST be paid in cash when you pick up your kitten. Kittens are usually ready to go at 10 weeks of age. You must pick up your kitten by 12 weeks of age or you will lose the reservation deposit and the seller will be free to place the kitten with another buyer. As the breeder, I reserve the right to keep 1 kitten from each litter. As the breeder, I reserve the right to cancel the sale of a kitten.
